

# COASTAL HERITAGE CORRIDOR

## SOUTH MAUI COASTAL WALKING TRAIL

[www.SouthMauiVolunteers.com](http://www.SouthMauiVolunteers.com)

**Blessing for the Trail**

The Kihei Trail has been built and maintained by volunteers since 2002 and is a small part of the entire South Maui Coastal Heritage Corridor extending from Makena to Kealia Pond. There are benches and interpretive signs along the way and you can enjoy beautiful vistas; watch for whales, turtles, or native seabirds; and visit beaches and shops by continuing to walk further north and south. As you come to resort properties, please be respectful and walk along the property perimeters. Currently, many native plants have been reintroduced to the area and invasive plants are being removed. The volunteers are also exploring the possibility for more handicap accessibility. If you would like to volunteer your time to work on the trail, please join us any Monday morning.
